

POWERTRAIN

High Quality Remanufactured Products & Meaningful Service

Worthwhile Warranty

Our quality controls and standards give us the peace of mind to stand behind the parts we provide to our customers.

Additional Availability

For convenience and speed of service, we move our inventory between all of our locations and all the way to your door.

Powertrain, Remanufactured

Quality tested and engineered for the modern environment, not only is Aesop Powertrain remanufacturing engines, we are changing the process. We are investing in the future to produce the best possible product for the demands of the consumer.

Added Value

Remanufactured engines provide the benefits of reliability, performance, warranty coverage, and sustainability that many customers find attractive.

Aesop One Time No Fault Warranty

 **AESOP**
POWERTRAIN

The Aesop Powertrain standard warranty is 3 years or 100k miles whichever comes first. We offer three additional tiers of warranty for added protection and value for our customers. The No Fault, No Fault Gold, and No Fault Gold Plus warranties offered by Aesop Powertrain are supplemental to the Aesop Standard Limited Warranty. The NFWG/P is not a warranty itself, nor does it waive or modify any exclusions or limitations in the Aesop Standard Warranty, except as specifically stated in this No Fault Warranty, No Fault GOLD/PLUS plan.

COST:

No Fault (NF) \$100

No Fault Gold (NFG) \$200

No Fault Gold Plus (NFGP) \$300

TERM:

The term of this One-time No-Fault Warranty, One Time No Fault GOLD/PLUS plan is coextensive with the Aesop Standard Warranty that covers the remanufactured drivetrain part to which this One Time No Fault Warranty, No fault GOLD/PLUS plan applies. Once the One Time No Fault is elected to be used, warranty coverage reverts back to the standard warranty. The term begins on the date of invoice. NFWG/P must be purchased from Aesop at the time of sale. No provision is allowed for sale of this product after the engine or transmission purchase.

SUPPLEMENTAL WARRANTY PAYMENTS:

Authorized repairs on claims will be reimbursed at a rate not to exceed the Mitchell Repair Manual published applicable flat rate schedule. Hourly rates for all authorized repairs will be paid in accordance with the rate paid for the original installation but not to exceed the below.

One-Time No-Fault (NF) Warranty will pay up to \$50 an hour Labor

The One-Time No-Fault Gold (NFG) Warranty will pay up to \$95 an hour

The One-Time No-Fault Gold Plus (NFGP) Warranty will pay up to \$125 an hour

Do-it-yourself repairs, repairs performed by unlicensed repair facilities, or repairs made to units not originally installed in a licensed automotive repair facility will not be reimbursed. Labor guarantee under terms of No-Fault Warranty.

All no-fault warranties are limited to the first time failure of the remanufactured assembly and in no case will the total labor under the terms of this guarantee EXCEED the Mitchell Repair Manual published applicable flat rate schedule of \$50 per hour NF, \$95 per hour for the NFG, or \$125 per hour for the NFWGP.

TOWING: No Fault Warranty Gold Plus includes towing will be reimbursed up to a maximum of \$100 per occurrence. (Customer must supply a copy of the towing invoice/contract.)

RENTAL: No Fault GOLD/GOLD PLUS warranties include car rental to be reimbursed up to a maximum of 5 days, up to \$30 per day. (Customer must supply a copy of the rental contract.)

EXCLUSIONS:

This No-Fault Warranty, GOLD/PLUS plan is subject to the following exclusions:

1. Engines used in a manner that violates the terms of the Aesop install material or used for purposes other than their original intended use.
2. Do-it yourself engine installations

INSTALLATION AND MAINTENANCE:

1. Aesop recommended installation procedures must be followed.
2. Maintenance must conform to the original equipment manufacturer standards. You may be required to furnish proof of these services when making a claim.

CLAIM PROCEDURE:

1. If the vehicle needs repair, you must contact your salesperson prior to starting the work.
2. You must bring the vehicle, either to the repair facility where the original Aesop product was installed or to another licensed automotive repair facility.
3. When calling, have your Aesop product serial number ready. This is available from the original installer, located on the engine itself, or found on your Aesop invoice.
4. Payment will not be made for any unauthorized repairs and/or replacements.
